Practice Leader Cecelia is a commercial lawyer specialising in privacy, regulatory compliance and education law.

Cecelia is in demand not only from clients, but also from industry bodies seeking her expertise for speaking engagements, training and contributions to boards and advisory groups. As well as being editor in chief of Portner Press' Data Privacy Report, Cecelia holds two specialist accreditations.

In her role as a Moores leader, Cecelia has represented the firm in corporate fundraising. Cecelia's demeanour is always professional, but with the slightest edge of quirky humour which makes Cecelia an engaging advisor and speaker.
